

Appointment of Dissertation Committee [D4]

The Dissertation Committee should be composed of a minimum of four members who can contribute their expertise to the dissertation study. Form should be completed electronically – handwritten and paper forms will not be accepted. This form should be submitted for each individual student, in the event of a cohort model for the dissertation. It is the responsibility of the committee to ensure that the student complies with procedures intended to protect the rights of animals and human subjects in research.

- Committee chair and 2 other members must be from the Graduate faculty
 - Current listing - <http://www.umsl.edu/gradschool/faculty/members.html>
- A recognized scholar from outside the university may serve as a member upon approval of the graduate dean.
 - A current CV [in pdf format] of the recognized scholar must accompany the submission of this form.
- All committee member names should be typed and the committee chairperson should sign electronically.
 - After committee chairperson signs, the form should be forwarded to the Graduate Program Director.
- After form has been completed and all signatures have been obtained, the items below should be submitted electronically to GradSchoolForms@umsl.edu for Graduate School approval.
 - Signed and completed D4 and
 - CV's for outside members
