

Petition for Transfer from Restricted to Regular Graduate Status [G5]

The regulations of the Graduate School provide that each graduate student admitted as a **restricted** student shall be transferred to **regular** status or dropped from the Graduate School when he/she has completed no more than 12 hours of graduate courses. The change shall be made on the recommendation of the department or school with the approval of the Graduate Dean. Approval will normally be given only when the student has maintained a grade point average of 3.0 or above.
