

Master of Music Education

Degree Program

Requires completion of 30 hours of graduate credit, 20 of which must be earned in residence.

The degree is designed to enable music specialists in grades K-12 to pursue continued professional growth. The degree is flexible, allowing for music and music education electives in specialized areas. The degree consists primarily of music education courses with two education electives. Students may pursue the MME alongside Missouri music teaching certification. Certification must be earned prior to graduation.
